

REMARKS

Claims 1-50 were presented in the present application and rejected under the judicially created doctrine of obviousness-type double patenting. A Terminal Disclaimer is submitted herewith disclaiming the portion of any patent issuing from the present application beyond the full term of U.S. Patent No. 6,704,835. Accordingly, it is submitted that the obviousness-type double patenting rejection is believed to be overcome.

In view of the foregoing comments, it is respectfully submitted that the present application is in condition for allowance. Such action is respectfully requested.

The Commissioner is hereby authorized to charge the terminal disclaimer fee and any additional fees that are required or credit any overpayment to Deposit Account No. 501-791.

Respectfully submitted,
